*Think of seasons that must end  
See the rivers rise and fall*

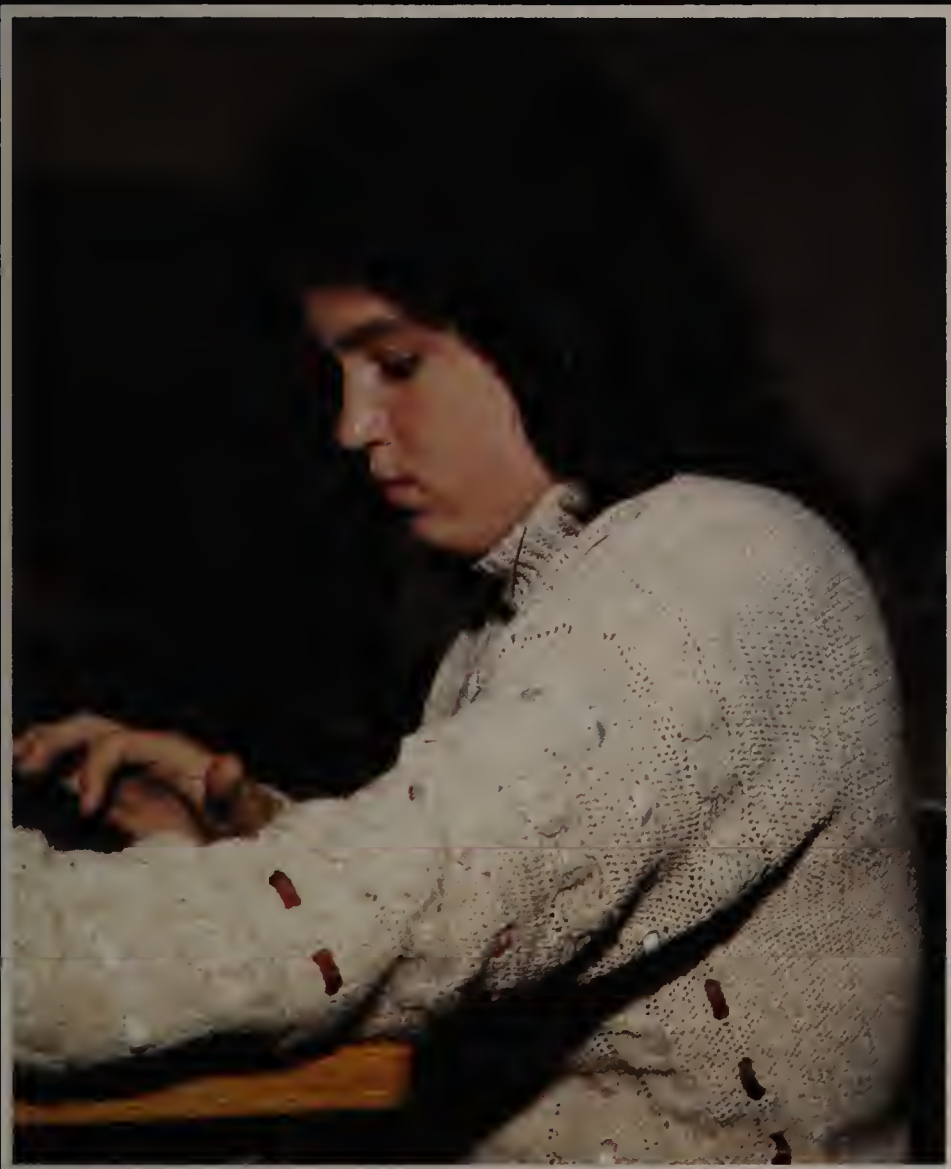

*They will rise and fall again  
Everything must have an end*

*How you tried to make it work  
Did you really think it could?*

*How you tried to make it last  
Did you really think it would ?*

*Like a guest who stayed too long  
Now it's finally time to leave*

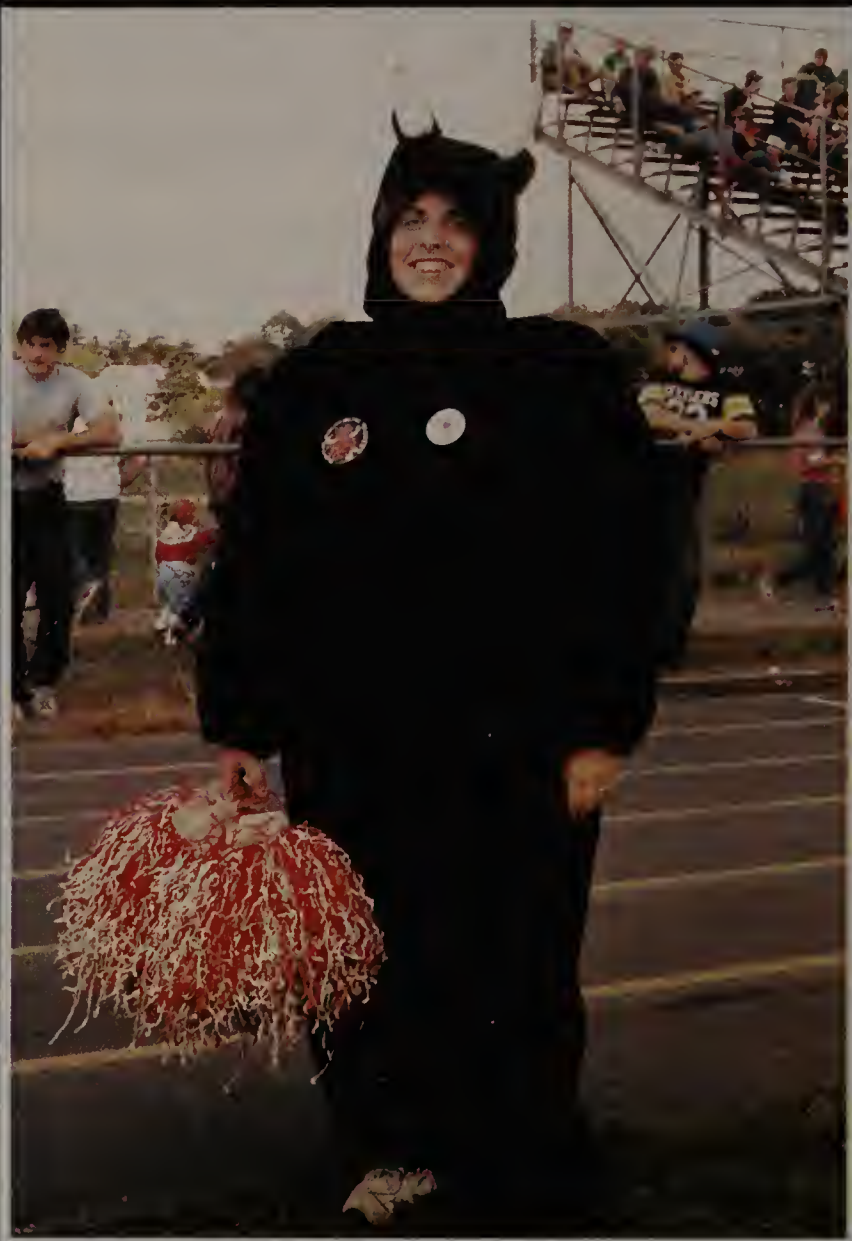

*Yes, it's finally time to leave  
Take it calmly and serene*

*Seems like oh so long ago  
Now the stage has all been set*

*Now the lines have all been read  
And you knew them all by heart*

*Now you move toward the door  
Here comes the hardest part  
.....the famous final scene*

# DEDICATION

We, the Class of 1984, wish to dedicate the 1984 INNITOU to the person we feel has been an outstanding example of what a teacher and friend should be. This person has exemplified the meaning of these words to the utmost. Therefore, it is our pleasure to dedicate the 1984 INNITOU to the Commander in Chief of the "A" Team:

MR. GEORGE ACCOMANDO

To The Class of 1984 -

As students of Woburn High School, this particular Class of 1984 has excelled in numerous academic and athletic accomplishments, but most important, they have demonstrated a tremendous social maturity in enjoying each other as individuals.

Throughout this senior year, and over your twelve years together, you have shared your successes and failures in such a way that you have all become better and wiser people.

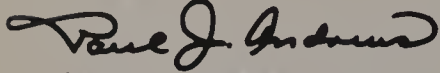

Your teachers and, even more so, your families have had the opportunity to enjoy you and now the time has come to share you with the world.

The most important hope we all have today is that the positive values developed by your families and teachers will guide you through the coming years.

A speech which President John F. Kennedy was set to present in Austin, Texas on November 22, 1963, after Dallas, summarizes clearly our thoughts today. If he had lived he would have stated, "Let us stand together with renewed confidence in our cause - united in our heritage of the past and our hopes for the future - and determined that this land we love shall lead all mankind into new frontiers of peace and abundance."

God bless you all.

Respectfully,

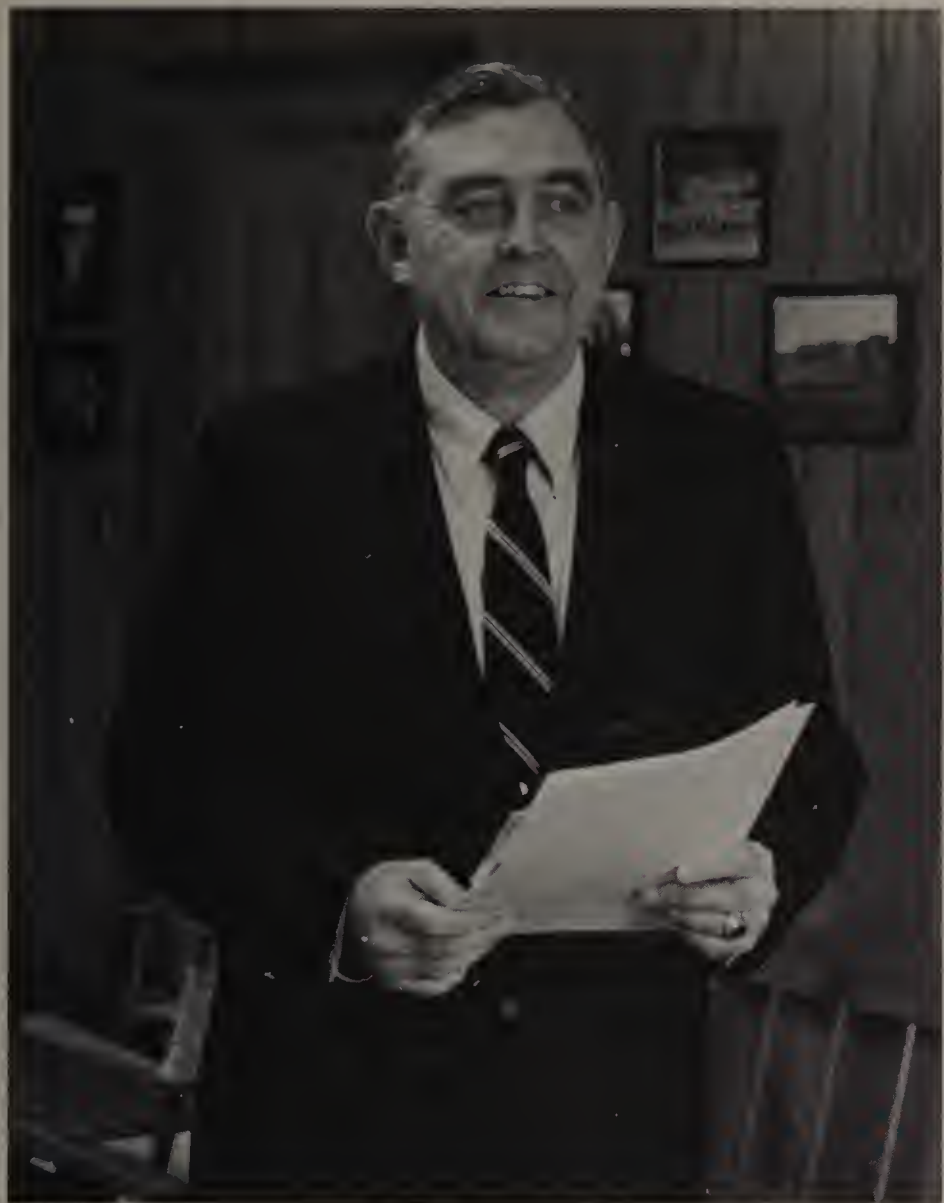

Paul J. Andrews  
Superintendent of Schools

Paul J. Andrews

William J. Horrigan

Ellen McCarthy  
Director of Chapter 1

Lawrence R. Byron  
Assistant Superintendent for Curriculum

Robert McArdle  
Director of Special Education

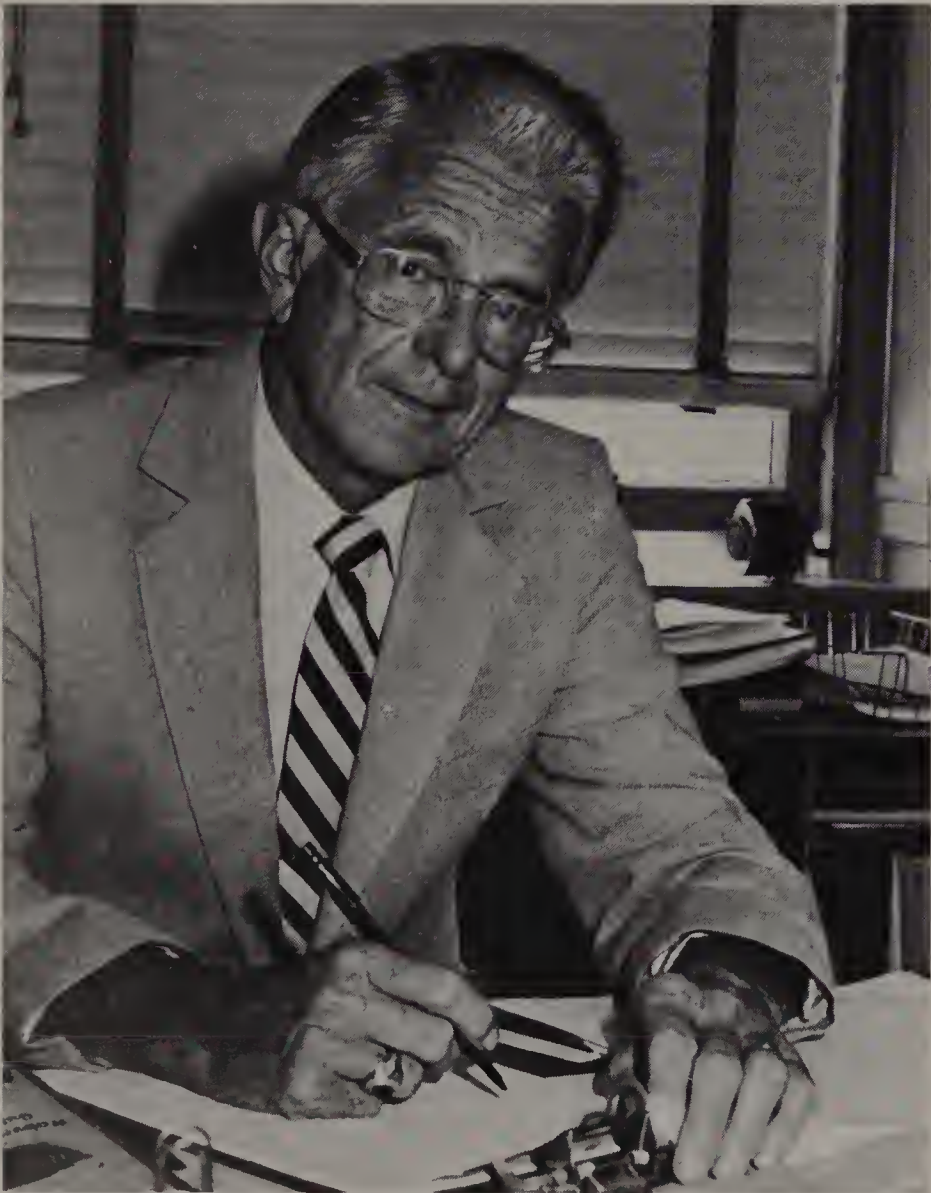

My congratulations and best wishes to the Graduating Class of 1984. We have endeavored to provide you every opportunity to develop your intellectual, emotional, physical, and social growth.

However, the process of education clearly transcends what happens in the school. For that reason, we wish to acknowledge the contributions of your parents, relatives, and associates who have served as a positive influence on your development to this point in time. All of us at Woburn High School encourage you to continue in your growth development as caring, honest, and respectable citizens.

## Always Have a Dream

Forget about the days when it's been cloudy  
but don't forget your hours in the sun . . .  
Forget about the times you've been defeated  
but don't forget the victories you've won . . .  
Forget about the mistakes that you can't change now  
but don't forget the lessons that you've learned . . .  
Forget about misfortunes you've encountered  
but don't forget the times your luck has turned . . .  
Forget about the days when you've been lonely  
but don't forget the friendly smiles you've seen . . .  
Forget about the plans that didn't seem to work out right  
but don't forget to . . .

*Always Have a Dream!*

## The Time That Passed

As I sit back and watch how the years have passed,  
I realize I've grown older,  
Almost grown up, at last,  
A little bit wiser, and a little bit bolder.  
I'll treasure forever the memories of childhood,  
The friends I've made,  
The bad and the good.  
I'll remember all the feelings I've had,  
And the times I've shared with special friends,  
In a way it's all so sad,  
And sometimes I wish it wouldn't end.  
But now it's time to live my life,  
And not dwell on the things above,  
To look forward to the future,  
To be happy, live, and love.

— Paula Manzo

This day's gone  
time's moving on  
we really must be going  
We're glad to graduate  
we say we're happy and think it's great  
But what's this sadness that we're showing?  
When, for the last time, we walk out the door  
we know we'll see some friends no more.  
We'll spread our wings and go our separate ways  
in that search through life's endless maze;  
looking for success, and love, and happiness:  
trying so hard to be the very best.  
From time to time we'll look back and remember  
the good times we had; in the heat of summer and cold of December  
We may share these memories with our husbands and our wives  
and then we'll realize; these were "the best days of our lives."

# FOOTBALL

This year the Tanners found themselves in a rebuilding year. Yet, their Tanner Pride showed through and they completed the season with a record of four wins and six losses. Two of the losses were by seven points or less, and they staged upset victories over Reading and Lexington. The season was highlighted by the running of Jim Mogauero led by the solid blocking of Bob Radochia.

# CROSS COUNTRY

The Girls Cross Country team had a winning record of 5-3-0 with two exciting upsets, one over Winchester, and one over Reading whom Woburn had never beaten before.

The girls did well in the major meets; they placed 9 out of 34 teams in the C.M.I. in Boston. They finished 8th out of 32 teams in the Eastern Mass. Championships, and tied for 3rd in the Middlesex League.

Senior Co-Captains were Mary Foley and Margaret Pinkham. Margaret received the M.V.P. award and was named a Middlesex League All Star. She placed 4th in the League Meet, the highest place ever attained by a Woburn Girl, in doing so she tied the record.

Another outstanding runner was Junior, Nancy Spolidoro who received Middlesex League Honorable Mention and an award for most improved.

The team is expected to do well next year led by newly elected Captain, Patrice Farrey.

The Boys Cross Country team this year was a young and inexperienced team, but the desire and determination to succeed was that of a veteran team. This club improved meet by meet and ultimately bettered last years record. The State Meet and the teams spirit will never be forgotten.

Outstanding performances were exhibited by Co-Captains, Candido Soares who was elected M.V.P., and Steven Borselli who was elected Most Improved. Both boys were also named Honorable Mention Middlesex League All Stars.

Coach Maltacea was very proud of how the team competed and looks forward to next year.

# SOCCER

This season proved that Woburn Soccer is coming of age, as we showed the tough Middlesex League just what we are made of. We played hard in every game, losing some heartbreakers to great teams. Highlights included the 4-1 win in Burlington as we played under the lights for the first time. Also, we finished the season without any red cards which serves as a testament to the level of character of our team. Individual honors went to 1st team League All Stars Roy Comes and Jesus Gomez, and 2nd team All Stars John Schipelliti, Doug Moore and Mike Tedesco. Other seniors contributing to our success were Rick Green, Tony Mirra, Mark Desimone, Steve Cirone, and Al Vachon.

# FIELD HOCKEY

The 1983 Woburn Tannerettes were in a word — “Awesome.” They possessed the league’s deadliest offense (51 goals), along with the stingiest defense (5 goals and 14 shutouts). The team completed the season as undefeated Middlesex League Champions. Their only loss came in sudden-death overtime in the Division I North State finals. In the hearts of all those who participated will linger the feeling that we “threw them in the mud.”

Individual honors were plentiful as Marlene Ricci, Michelle Ricci, and Ruth Vasapoli were selected to the League All-Star Team. Michelle Tedesco received honorable mention. Also, Michelle Ricci was voted the League’s Most Valuable Player and was selected to the Globe All-Scholastic Team. Other outstanding performances throughout the season were given by Nancy Alexander, Jean Connolly, Rita DeSimone, Dianne Giordano, Terry Gouthro, Lynda Magner, and Lee Martin.

Co-captains Steve McNulty and Candido Soares led the team by becoming individual league champions in the 45-yard dash and the 600 yard run, respectively. They, along with Tim Parziale and Richie Sykes, formed an explosive relay team that established a new school record in the event. Other seniors contributing to the success of the team were Mark Desimone, a consistent scorer in the hurdles, Larry Mawn, our leading high jumper, Steve Borselli, long distance runner, Kevin White in the shot put, and Tim O'Brien, who steadily improved in the 600.

# GIRLS TRACK

The girls Indoor Track team finished with their first winning season ever. The record of 5 wins and 2 losses was the result of a hard working, dedicated team effort.

The team, led by Captain Margaret Pinkham did exceptionally well at the State Relays placing second while breaking several school records.

Middlesex League record setters were Karen O'Donnell and Laura Desimone in the hurdles, and Lisa Stack in the Shot Put.

The relay team of Nancy Spolidoro, and Seniors Margaret Pinkham, Marlene Ricci, and Michelle Ricci shattered the previous 2 mile relay record by more than 20 seconds.

The team expects to do well at the upcoming League and State Meets, and look forward to a second winning season next year led by elected Co-captains, Patrice Farrey and Siobhan Curran.
